Clarification of ARPC Personnel Numbers

DENVER – In May, Secretary of Defense Donald Rumsfeld forwarded the Department of Defense's recommendations to the independent Base Realignment and Closure Commission and to Congress. The Air Reserve Personnel Center here was one of those locations recommended for realignment. Under the proposal, ARPC's mission would realign with the Air Force Personnel Center in San Antonio, Texas by 2011.

Currently, 124 military members, 244 civilians and 70 contractors are assigned to ARPC for a total of 438. Past reports have stated this number as 1,600 personnel, however that number reflects the total number of people assigned to the Buckley Annex. ARPC is one of three organizations that calls the Buckley Annex home.
